W. S. BARGER DEAD.

Well Known Shoemaker Dies
From Bladder Trouble.

Mr. W. S. Barger, a well known
shoemaker, died this morning at his
home 629 North Ninth street, from
bladder trouble, having been ill quite
awhile. The deceased was born in
Germany, but had been a resident
of Paducah for many years, and was
well known and respected.

He was a member of the First
Baptist church, and leaves a large
family to survive him, consisting of
a wife and several grown children.
The funeral services will be con-
ducted tomorrow at 10:30 o'clock from
the home, interment at Oak Grove.
Rev. W. K. Penrod will conduct the
services.

LUKE HAYNES HELD.

Case Against Wm. Coleman Was
Continued Until Tomorrow.

The case against Luke Haynes, col-
ored, charged with complicity in the
robbery of Tom Haynes, was finished
this morning in the police court and
Haynes was held on his own recogni-
tance, being released in the sum of
\$200 for his appearance to answer
any indictment the grand jury may
find against him. Dolly McBride,
his partner, was yesterday held to
answer and went to jail in default
of bond.

The case against Wm. Coleman,
colored, charged with receiving the
watch stolen from Haynes, was con-
tinued until tomorrow morning. He
has employed Attorney Orice to defend
him.

REGISTRATION CHALLENGED.

Ex-Mayor D. A. Yelzer has been no-
tified to appear before County Judge
Tully and show reason why his name
should not be stricken from the reg-
istration, the claim being that he
is a resident of the city. For
some time past, it is alleged, Dr. Yel-
zer has made his home in Arcadia, at
the old Buckner place, which is out-
side the corporate limits.

THE REGISTRATION.

The registration in County Clerk
Graham's office today and yester-
day was light. This afternoon it
stood 26 Democrats, 9 Republicans
and one non-committal.

WORSTED AT LADYSMITH

General White Sends Sortie Party
Out to Be Captured By
the Enemy.

ACKNOWLEDGED UNEXPECTED

LADYSMITH, Oct. 31.—The column
of troops, consisting of Irish foot
loos, the Tenth mountain battery
and the Gloucestershire regiment, sent
against the Boers Sunday, has been
surrounded and captured by the Boers.
British officials confirm this news.
Among those captured are Major
Ade, of General White's staff, Lieu-
tenant colonel, majors, captains and
lieutenants of Irish fusiliers; majors,
captains, lieutenants of Gloucester-
shire regiment, Major Bryant, of Royal
Artillery, all the lieutenants of the
mountain battery and also chaplain
of the Irish fusiliers. Many of the
captured officers and men are wound-
ed. The British have retired within
entrenchments.

More heavy guns unshipped from
the column Powerful are arriving at
Durban. The Boers can be seen ad-
vancing on the town.

LONDON, Oct. 31.—All England is
astounded today at the news of the first
reverse disaster to the British troops.
General White, writing from Lady-
smith at midnight, reports the column
which was sent to guard the hill on
our left flank was surrounded in the
hills and after losing heavily had to
capitulate. Casualties have not yet
been ascertained. A Boers' order
came in our lines this evening under a
flag of truce with letters from the sur-
vivors of the captured column, asking
assistance to bury their dead. "I
fear there is no doubt of the column's
capture. I formed the plan in working
out of which the disaster occurred
and am alone responsible. The troops
are not blameworthy, as their position
was untenable."

LONDON, Oct. 31.—General White's
left wing, which surrendered to the
Boers, is believed to consist of 2000
men with eight guns. The news of the
disaster is received with stupefaction
at all circles.

News of the capture of General
White's left wing fills every one
with the greatest alarm for the safety
of Ladysmith. How White came to
subject his left to such a disaster is
almost forgotten in what White will
do now. He has almost lost 20 per-
cent of his fighting men and eight of
his fifty guns at one crack. Yester-
day he had every available man en-
gaged against the Boers and the dis-
patches of the English correspond-
ents say he had all he could do to
get back to his base at Ladysmith
after making his sortie. It is ap-
parent White cannot again attempt to
take offensive steps against the Boers.

LONDON, Oct. 31.—General White's
statement that he takes all the blame
for the disaster which befell his left
wing yesterday is regarded here as
tantamount to an offer to resign his
command.

CAPE TOWN, Oct. 31.—General
Buller, who will command the army
corps in South Africa, arrived here
last night and landed this morning
amid scenes of immense enthusiasm.

LONDON, Oct. 31.—While minor
reverses were not wholly unexpected
nothing like the staggering blow Gen-
eral Buller delivered to General
White's forces yesterday was antici-
pated. The full extent of the dis-
aster has not yet been acknowledged
if it is known at the war office. The
loss of these effective men must be
appalling to a general who is prac-
tically surrounded. Two of the fine-
st British regiments and nine bat-
teries deducted from the Ladysmith
garrison weakens it about one-fifth
of its total strength and alters the
whole situation very materially in
favor of the Boers, who have again
shown themselves stern fighters and
military strategists of no mean order.
The disaster will cost the British
from 1500 to 2000 men and six seven
pound screw guns, and as the Boers
artillery was already stronger than
laughed the capture of these guns
will be of great help to the Boers.
Forty-two officers were made pris-
oners besides the newspaper correspon-
dent, J. Hyde.

LONDON, Oct. 31.—The war office
today telegraphed General Buller,
saying that three extra battalions
and one extra battery with reserves
will leave England within ten days
to make good British casualties.
Military experts declare improb-
able that General White will fall back
on Colenso with view of securing a
better position. It is believed he
will defend Ladysmith to the last
ditch and in view of his great losses
yesterday will die before surrender-
ing.

CAPE TOWN, Oct. 31.—A message
from Kimberly says the Boers are
building forts around the town and
planting siege guns.

LONDON, Oct. 31.—It is rumored
General Buller has telegraphed the
war department to instantly dis-
patch to Cape Town ten thousand ad-

ditional troops, which are already
mobilized and await his orders.

PARIS, Oct. 31.—Upon the receipt
of the news of British defeat at Lady-
smith the anti-English papers hoisted
Boer flags and gave other signs of re-
joicing.

CAPE TOWN, Oct. 31.—Another bat-
tle is reported as begun today be-
tween the British and Boers at Unban-
bane, near Ladysmith.

LEG BROKEN.

Painful Accident That Happened
to a Drummer Yesterday.

Mr. Harry W. Hinton, of Parkersburg,
W. Va., who travels out of New York
met with a most painful misfortune
yesterday afternoon, about 4 o'clock,
near the N. C. & St. L. depot, on Nor-
ton street.

He and a friend were out in a buggy
driving, when he was thrown out by
a sudden start of the horse. When
picked up, it was found that he had
sustained a very bad break of the leg
near the ankle, the bone protruding
through the flesh.

He was taken to the Palmer house,
but his physician, Dr. G. Murrell,
recommended that he be taken to the
railroad hospital, where he could have
better care and attention, and he is
now there.

Mr. Hinton travels for the Springer
Tobacco Balance company, of New
York, and is about 25 years old. This
morning it was thought that ampu-
tation would possibly have to be
performed, and the right foot removed
to save his life.

RED HOT ROAST.

Didn't Like Affidavit Attorney
Filed in Stewart Case.

This is What Circuit Judge Hus-
bands Gave Attorney Miller
This Morning.

The plaintiff's evidence was this
morning finished in the circuit court
in the case of Fred Stewart against
the L. C. for \$25,000 damages, and the
attorneys for the railroad made a mo-
tion for the court to give summary
judgment for the defendant.

When court opened this morning
Judge Husband created somewhat of a
sensation among the lawyers by spring-
ing a red hot roast on one of the at-
torneys for the plaintiff, Fred Stewart.
This was attorney John G. Miller.

Yesterday afternoon the attorney
filed an affidavit to swear Judge Hus-
bands off the bench for this trial,
alleging that the judge was personally
prejudiced against him.

This morning the court fined the at-
torney \$20 and costs for gross con-
tempt of court, and said that the af-
fidavit would be dismissed, that this
was the only way to treat such an af-
fidavit. He said a great many other
things, and it was ordered that no
mention of the affidavit filed by the
attorney should be made on the sides
of the court.

At press time the motion in the
Stewart case had not been decided
by the court.

OTEL FIRE.

Big Hostelry in Montreal Burned
—Uncertain Loss of Life.

MONTREAL, Quebec, Oct. 31.—A
terrible fire took place this morning
early in the Webster house. Three
firemen were killed and five guests
suffocated. Twenty-five guests
are unaccounted for. The accounts
of the fire are frightful.

MONTREAL, Oct. 31, noon.—Three
coaches have been taken from the ho-
tel ruins. Others are believed to be
under the debris. One of the in-
jured died at the hospital. Not
many of those missing are thought
to be dead. A number of them have
been accounted for.

NEAR DEATH.

Vice President Hobart in a Pre-
carious Condition.

PATTERSON, N. J., Oct. 31.—Gar-
rett A. Hobart, the vice presi-
dent, still lies at death's door this
morning. The family is gathered
at his bedside and prepared for the
end, which is momentarily feared.

LATER—At noon the vice pre-
sident's condition showed much im-
provement.

ABOUT OVER.

WASHINGTON, Oct. 31.—The fever
upwreak at Key West is about over.
Only two new cases were reported yester-
day. Miami reported six new cases
and two deaths yesterday. Jackson,
Miss., has four new cases and New Or-
leans announces four more patients
and two deaths.

President McKinley has been in-
vited to visit Nashville on the occa-
sion of the return of the First Tennes-
see regiment from the Philippines.

At Trenton, O., C. P. Moore, of Green
River, Ky., had a fight with officers
and emptied a revolver, a stray ball
killing Mrs. Lot Henthorn, wife of a
traveling salesman. Moore is now
in jail.

At the Indiana Powder company's
plant at Fontanet an electric spark
lighted some powder on the cap of an
employee, burning to death two men
who had gone into the motor house
against orders.

PERMANENT

Carnival Committee Meets and
Effects Permanent Or-
ganization.

MR. W. F. PAXTON CHAIRMAN

Vote of Thanks Is Rendered to
Those Who Helped to Make
Carnival a Success.

VOTE TO L. A. LAGONARSINO

There was a meeting of the carnival
committee at the Palmer house last
night to wind up the business of last
week's carnival and to effect perma-
nent organization looking towards a
larger entertainment next year.
Chairman Paxton called the meet-
ing to order and on behalf of the citi-
zens of Paducah and the thousands
of visitors to the carnival thanked
the committee for its hard work.

A rising vote of thanks was then
tendered Chairman Paxton, the ladies
who so ably assisted in making the
carnival a success, the merchants
and manufacturers who contributed
and otherwise aided the enterprise,
Fisher, Kraus and Wilcox, Miss Eliza-
beth Sinnott, the queen, and Mr. Tom
C. Leach, the king, H. C. Chas. Reed,
for the use of the Palmer house, Mayor
Lang, the city officials and the Pa-
ducah band, and all others.

A committee composed of Messrs.
A. N. Clarke, Chas. Weille and Cook
Husbands was appointed to check
over all bills and report on them next
Thursday.

The organization then became perma-
nent, and Mr. W. F. Paxton was
elected chairman. Names were cir-
culated for membership of the follow-
ing establishments:

W. F. Paxton, L. A. Lagonarsino,
John D. Rudy, Fred Handware Co.,
J. L. Wolf, D. Weille & Son, Ellis,
Rudy & Phillips, F. Nagel, D. C. Fyfe
& Weill, Wagoner Bros., W. F.
Katie-John, Dubois & Co., Frank
Ricke, James W. Glover, Cook Hus-
bands, F. W. Cook Brewing Associa-
tion, A. N. Clarke, Tom Leach, Gus
Reitz, Jas. E. English, A. L. Weill,
Michael Bros., Hank Bros. & Jones,
James Woods, George Jones, H. A.
Petrie, Evansville Brewing Ass'n,
Chas. Reed, Anheuser-Busch Brewing
Ass'n, J. J. Bleich, H. H. Leving, J.
Will Fisher and J. Andy Bauer.

Thursday night a committee will
be appointed to solicit membership.
The finance committee will make
a full report Thursday night, and the
few merchants who have not paid
their subscriptions are requested to
do so at once.

A shed for the floats will be built
at once upon ground loaned by Mr. T.
C. Leach.

Mr. Will Rieke, of the firm of Ogil-
vie & Co., had stated that if the city
was any misunderstanding as to who
won the loving cup for the best mer-
chant display his firm would not
accept the prize.

The committee unanimously de-
cided that Ogilvie & Co. were awarded
it and were entitled to it.

A committee was appointed to pur-
chase photographs of floats taken
during the carnival, for advertising
purposes.

Mr. Thos. C. Leach, the king, in-
vited the committee to attend a ban-
quet he will give them next week at
the Palmer.

Mr. L. A. Lagonarsino, who has
been an enthusiastic member of the
committee all along, has reason to be
proud of the vote of thanks unani-
mously tendered him. Many feel
that to him is largely due the suc-
cess of the carnival. He was one of
the first to suggest the street fair
scheme, and when that went by the
board took up the carnival project.
One night at the meeting of the com-
mittee at Friedman & Kiefer's, and
but Mr. Lagonarsino voted to burn
the records of the meeting and the
admission list, and he opposed it
taking the list out by himself and
raising the money. He has reason to
be proud of his achievement, and the
vote of thanks offered him last
night was deserved.

DO YOU KNOW.

That unused railroad tickets can be
redeemed at the company's redemption
office?

That artistic girls with patient fin-
gers make very pretty pictures of burnt
sticks, the black part forming
part of the sketch?

That some beggars make six and
seven dollars a day and dress like pros-
perous business men at night? Women
are mostly responsible for their success.

That the sample brand often gets
enough material gratis to make itself
a bonnet?

That a sponge soaked with water is
a beneficial thing in a sleeping apart-
ment?

George Bartle, a clerk in the state de-
partment since 1845 and the "keeper
of the great seal," died yesterday.

The United States supreme court has
denied the petition for a rehearing of
the Kentucky bank tax cases.

The West Indian hurricane did great
damage to property in Havana.

GEORGE DENNIS ARRESTED.

He Is Charged With House
Breaking Again.

The irrepressible George Dennis,
who is only about fourteen years
old, is again under arrest, charged
with house breaking. He is alleged
to have been in the crowd that broke
into the market house Sunday night.
The coat stolen from Market Mas-
ter Smith was found at his home.

Dennis has been out of jail for only
a short time, having been last con-
victed for petty larceny. He has
been charged with breaking into the
market house before, also.

Several other boys, it is understood,
are charged with complicity in the
theft.

Dennis is one of the most degen-
erate and thoroughly depraved youths
in the country, and has repeatedly
been in trouble. He seems to enjoy
it. When one of his partners was
this morning being questioned by a
reporter, he said "Aw, he ain't no
lawyer. Don't tell him nuthin'.
Tell what you know to Judge San-
ders."

Judge Sanders this morning issued a
warrant against Dennis and Premo
Merritt, who has also been in trouble,
for the burglary. Merritt was not at
home when the officers called, but
his mother promised to have him in
court tomorrow. The case will doubt-
less come up for trial tomorrow in the
police court.

Officer Smith discovered the iden-
tity of the thief through some bread
tickets he had left in the pocket of
his overcoat. He instructed the
baker to keep a lookout and this
morning Dennis brought bread with
one of the tickets.

COUNCIL MEETS.

Will Session for This Evening
at the City Hall.

Mayor Lang has called a meeting of
the council for tonight at 7:30 o'clock
at the city hall.

It will probably be an important
meeting, as the contract for raising
the fills and other Caldwell street im-
provements will be let to the lowest
bidder—or all bids rejected—as the
case may be.

The sewerage question, also, will
be considered, and possibly settled.
This is the most important one that
has been brought for quite awhile,
and it is not known what the commit-
tee of the council will report whether
to accept the sewerage or not. The
thing that holds them back at present
is the \$3,200 the city has spent for
street improvements and is trying to
collect from the sewerage contractors.

HOSPITAL FULL.

Mayor Lang Says That Something
Will Have to Be Done.

Mayor Lang this morning said to a
reporter that something would have
to be done with the city hospital, or
it will bankrupt the city. This was
nearly the mayor's manner of saying
that it was full, however.

The fact is that there were never
more than at present in the hospital.
It is completely filled, and costs the
city a great deal of money. The hos-
pital, besides, is inadequate. When-
ever possible the mayor sends patients
out of town rather than keep them at
the city hospital at the expense of the
taxpayers.

OFFICERS EXPECTED.

Deputy Marshal Harlan expects offi-
cers from Louisville after Dan Womack,
the negro supposed to be wanted
in Louisville for robbery. He claims
his name is Herbert Smith, and was
very anxious for Judge Sanders to let
him go this morning.

CASE DISMISSED.

Ike Lunderman, colored, who was
arrested yesterday on a charge of
larceny, was this morning ac-
quitted in Judge Sanders' court. He
was charged with taking a pocket-book
which was dropped at Needmore church
by Frank Pullen.

SOCIALIST SPEAKING.

The Social Labor party will hold a
speaking tonight at 7:30 o'clock at
a hotel house. Everybody invited.

ONLY TWO LIVES LOST.

NEW YORK, Oct. 31.—The police
announce this morning it is believed
only two lives were lost as the result
of collision between the ferry boat
Chicago and the steamer City of
Augusta. The body of John Bryson,
driver of a milk wagon, has been re-
covered and John Vroom, fireman of
the ferry boat is missing.

LATER—At noon three more men
were reported missing.

WEATHER INDICATIONS.

Generally fair tonight and Wednes-
day.

M. S. James Lightfoot was killed in
a runaway accident in Warren county.
Judge W. L. Brown, of London, lays
claim to the job of Judge H. C. Ever-
sole in the Twenty-seventh district,
his contention being that the latter's
election was illegal, according to a
recent appellate court decision.

The South Atlantic Squadron with
Admiral Schley in command has been
ordered, or soon will be ordered, to
the scene of South African hostilities.

KILLED IN MISSOURI.

Mrs. Jas. Powers, of Norton street,
yesterday received word from Car-
uthersville, Mo., that Mr. Albert Pow-
ers, her son, was killed. He worked
in a saw mill and his death is sup-
posed to have resulted from an acci-
dent. Mr. Jas. Powers left last even-
ing to take charge of the remains and
bring them to the city.

DEATH OF JOHN SURRATT.

John Surrott, aged 19, died from

was eighty years of age.
